**UPFRONT PRICE NOTICE:**

All upfront priced fares (both cash and credit card) include a \$1.00 Tech Fee within the upfront price. This fee is added ON TOP of the upfront fare amount that is calculated by the system. We charge passengers this fee to help offset the increasing costs of tech development. To collect this fee, passengers are charged the \$1.00 fee within total upfront price, and then \$1.00 is deducted from the upfront price through the driver cashiering process.

Current Security Deposit Balance: \$350.00
